

KENNY'S

ITALIAN KITCHEN

CELEBRATING

15 Years!

DINNER

Do you remember a time when there were restaurants without "BS" split charges, 18% gratuity added or ridiculous statements like "I'm sorry that's our policy?" Welcome to Kenny's Italian Kitchen. A restaurant reminiscent of the way things used to be. A place where we make it our policy to have no policy! Thank you very much for coming, we really appreciate it! If there is absolutely anything we can do to make your experience more enjoyable, please let us know.

Liz Mardeda is our Managing Partner and is here most of the time. Bob is usually at the office (because Bob's the smart one), Clay is in one of our dining rooms and I'm in one of our kitchens. We would all love to meet you when we are here! Have a wonderful time and remember, at Kenny's Restaurants . . .

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may be dangerous to your health especially if you have certain medical conditions (duh). But so can driving on 635 at rush hour, going for a walk, playing golf, and so on. Oh by the way, we'll cook the food to your specs. Also, please excuse any spelling, punctuation or grammatical errors.
